

**2024 - 2025**

Welcome to PACS, The Parent Association of the Craig School! PACS is an all-volunteer, parent-run organization at Craig that is committed to enhancing the educational experience of our children and fostering an impactful sense of community within our school. We work collaboratively with the faculty and administration of Craig and aspire to keep our parents connected, involved and informed by facilitating a bridge between school and home. Some of the goals of PACS are to:

- Support our school and children through volunteer opportunities such as chairing various school events and serving as grade parents.
- Communicating important information for upcoming school events and the various volunteer roles that support our school.
- Lead the Craig Gear store which offers a variety of clothing and accessories that allow our students, teachers, and parents to show their Craig School community spirit.
- Celebrate our students and faculty through Halloween Trunk or Treat, Grandfriends' Day, Winter Wonderland, Read Across America Student breakfast, spirit days, holiday activities, and appreciation events throughout the school year.
- Facilitate the collection of the teacher and staff holiday gift donation. At Craig, our students may have 7 to 10 teachers and various other staff members support them throughout each day. PACS organizes the collection of the funds and distribution to the faculty and staff while making gifting more manageable for our families.

Our entire mission is accomplished solely through parent membership dues and community involvement. We are hoping that we can count on you, our Craig School parents, to be a part of PACS and help us enhance our children's school experience and support our teachers in fulfilling the mission of the Craig School.

We look forward to another year of growth and excitement as we work together as a part of the Craig community!

Warmly,  
PACS Team
